20-Minute Session

WILL & ESTATE PLANNING

Members and spouses are invited to sign up for a **FREE** 20-minute, one-on-one consultation with a union attorney to receive personalized legal guidance on will and estate planning.

To maximize the session's benefit, you will need to complete and bring a questionnaire that will be emailed in advance of the event. Spouses are also eligible for this service and do not need to submit a separate form if the information is identical.

This is a great chance to take important steps in securing your future and ensuring your wishes are clearly outlined.
